# WHY DAHEJ?

Dahej is not just India's largest industrial zone by market capitalization but also ranks as the 8th largest in Asia, making it a hub for industrial excellence. Home to top industries like OPAL, SRF, Reliance, Birla, Adani, Meghmani, and MRF, Dahej offers unparalleled opportunities for businesses to connect and grow.

The **Dahej Industrial Expo 2025** featured **35+** major sectors, including Chemical, Pharma, Pumps & Valves, Instrumentation & Automation, Water Treatment, Engineering, and Electric & Electronics, creating a comprehensive platform for industry leaders to showcase their innovative products. This strategic location, combined with the presence of global industrial giants, makes Dahej the ideal destination for businesses to highlight their capabilities and tap into limitless opportunities.

Gujarat holds a prominent position, contributing approximately 28% to the country's pharmaceutical exports valued at **USD 30 billion**, and catering to 30-31% of the domestic market, estimated at an additional USD 25 billion. According to officials of the Indian Drugs Manufacturers Association (IDMA), the region is expected to attract around 400 industries, predominantly SMEs, seeking to establish their operations here.

Dahej Industrial Expo 2025, now in its **5th** edition, has solidified its position as **Gujarat's premier industrial exhibition**. Supported by the Dahej Industrial Association, Msme and Indexb, this event serves as a key platform for businesses to showcase their expertise, discover innovative technologies, and build meaningful connections.
