

6TH EDITION

DAHEJ INDUSTRIAL EXPO

16 17 18 DECEMBER 2026

**INDIA'S LEADING SHOWCASE FOR PUMPS, VALVES,
CHEMICAL, PETROCHEMICAL, BIOPHARMA &
PROCESS INDUSTRIES**

WHY DAHEJ, GUJARAT ?

Strategic Industrial Hub

Dahej is India's largest integrated industrial zone, hosting world-class manufacturing facilities across chemical, petrochemical, pharmaceutical, engineering, and energy sectors, making it a prime destination for industrial business opportunities.

Massive Investment Destination

Dahej continues to attract significant investments in chemicals, petrochemicals, specialty chemicals, renewable energy, and infrastructure, driving continuous industrial expansion and demand.

Home to Global Industry Leaders

The region houses hundreds of multinational corporations, large-scale manufacturers, and EPC companies, creating a strong ecosystem for suppliers, technology providers, and service companies.

Access to Key Decision Makers

The industrial belt is home to plant heads, procurement teams, project managers, engineers, consultants, and business leaders, offering unmatched networking and business development opportunities.

Excellent Port Connectivity

With direct access to deep-water ports, Dahej serves as a major gateway for domestic and international trade, supporting efficient import-export operations and global supply chains.

Gateway to Gujarat's Industrial Growth

Located in one of India's most industrialized states, Dahej provides access to the thriving industrial markets of Bharuch, Ankleshwar, Vadodara, Surat, Hazira, Ahmedabad, and beyond.

WHY EXHIBIT?

- Connect with Qualified Industrial Buyers
- Generate High-Value Business Leads
- Launch & Demonstrate New Technologies
- Strengthen Brand Visibility
- Expand Your Business Network
- Access India's Largest Chemical Belt

EXHIBITORS GROWTH

EXHIBITOR TESTIMONIAL

Dahej Industrial Expo has become an important platform for companies serving the chemical and process industries. The event provided us with an excellent opportunity to connect with plant engineers, procurement teams, consultants, and decision-makers from across Gujarat's industrial belt. We generated quality business inquiries and strengthened relationships with existing customers. We look forward to participating again.

– TEAM IDEX INDIA

Since 1994

Dahej Industrial Expo successfully brings together key stakeholders from the industrial ecosystem under one roof. The exhibition offered valuable networking opportunities, meaningful business interactions, and strong visibility among industrial buyers and project decision-makers. We appreciate the professional organization and the quality of visitors attending the event.

– TEAM KP GROUP

MAJOR EXHIBITOR CATEGORIES PARTICIPATING

Industrial Automation & Instrumentation

Pumps, Valves & Flow Control Systems

Chemical & Petrochemical Process Equipment

ELECTRICALS, ELECTRONICS, WIRE & CABLES

Pharmaceutical & Biopharma Equipment

Industrial Safety, Fire & Hazard Protection

Industrial Water Treatment, filtration & Environmental Solutions

HVAC, Clean Room & Environmental Control Systems

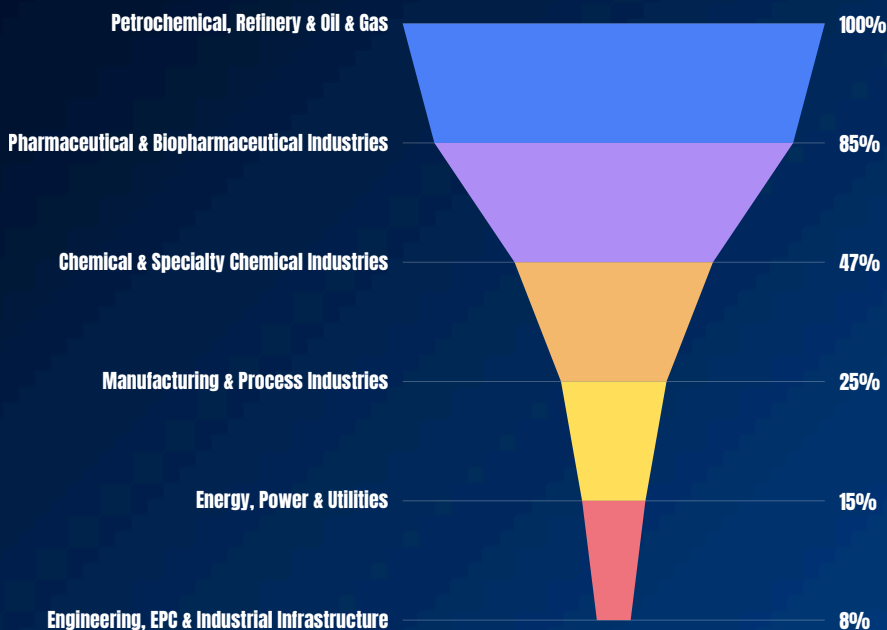

Logistics, Material Handling & Industrial Storage.

VISITOR PROFILE

- **Decision Makers & Top Executives of Manufacturing & Engineering Enterprises.**
- **Technical Experts, Engineers, Technocrats & Scientists.**
- **Decision Maker from Purchase, Plant, Marketing, Sales, R & D, Production & Maintenance departments from Private & Public Sectors.**
- **Industrial Consultants & Contractors, Policy Makers, Diplomats & Commercial Corporations. • Govt. Delegates & Officials.**
- **Various Industrial Association Members & Representatives.**
- **SME's Decision Maker & Techno-commercial personnel from Projects.**
- **Industrial & Commercial Traders.**
